

JUNIOR SUPER DANCER

SOLO DANCE COMPETITION

Grades 1 & 2

Z-3/ Cir. Cen/2023-2024/42

18/07/2023

Dear Parent,

We are happy to announce **Orchids Junior Super Dancer - a solo dance competition for grades 1 & 2.**

Purpose

The purpose of the Orchids Junior Super Dancer competition is to provide students with an opportunity to showcase their dancing talents and promote a dance culture.

Our Goal

Movement is an integral part of the Art Education curriculum. Students are introduced to utilizing fine and gross motor skills, exploring bodies and surroundings, researching different forms and concepts, and developing critical thinking.

- Students develop confidence and put their best foot forward.
- Students get to explore their creativity within and beyond the curriculum.
- Students assess their strengths and weaknesses.

Eligibility

The competition is open to all students from grades 1 & 2.

Process

There will be 3 rounds:

Round 1 - Branch-level Audition:

- **Auditions** will be held by the dance teachers on Saturdays or proxy class sessions between **19 July to 30 July**, to determine the participants for the next round. Students will be asked to dance solo for a minimum of 1 minute.
- A list of 20 songs will be shared by the teachers for the audition round. Students can select a song for their audition.
- The top scorer from each grade will participate in the next round.

Round 2 - Zonal Audition:

- **The zonal audition** will be held at one of the selected branches of the same zone, where selected top 1 students from each grade will compete on stage with the other branch students from the same grade.
- In this round, winners from each grade will be announced who will represent their zone in the final round i.e. National level.

Round 3 - National Round:

- **The Nationals** will be held at the country level in December. For each grade, a winner will be announced and titled the Junior Super Dancer.

Criteria for performance, selection, and execution guidelines will be communicated before every round.

Encourage your child to participate and learn the skills of solo performance.

The final list of shortlisted students will be announced in August that will compete for the Zonal round.

Regards
