

Volume II- Assessment Calendar

OISNA/Cen.Cir/2023-24/052

07-08-2023

Dear Parents,

Please find the assessment calendar for Volume -II Academic Year 2023-24 shared below:

Kindly take note of the following points:

1. Assessments will be based on regular studies conducted in the classes on a daily basis. Therefore regularity in attending classes is strictly advisable to appear the assessments as portions will not be shared in specific for these tests. Kindly cooperate and avoid insisting on sharing of portions.

It is mandatory for students to be regular in attending their classes and completing their work. Students are to be encouraged to keep day-to day update of the syllabus.

2. The Portions covered in the previous week will be tested during the weekly tests. Also note Half day permissions on exam days and leaves will strictly not be entertained, and regular classes will continue after the assessments.

3. In case the child is suffering with fever or having any medical emergency, a medical Certificate(not prescription) by an authorised doctor needs to be submitted to the class teacher. Average marks will be given to the child.
