SECTION 4 RESEARCH ORGANISATION

Name of Research Organisation: University College Dublin

Address: University College Dublin, Belfield, D04 V1W8, Dublin

Contact Person: Neil Clancy

Position: Resourcing Support Manager

Phone: (01) 716 1745

Email: neil.clancy@ucd.ie

Note: All research organisations must be accredited by the Department of Business, Enterprise and Innovation before entering into a Hosting Agreement.

Undertakings of Research Organisation

1. This agreement confirms that this research project has been accepted by the research organisation following consideration of its purpose, duration and the availability of the necessary financial resources.
2. This agreement confirms that the research organisation is satisfied that this researcher holds the appropriate higher education qualifications required to carry out the research project named in this agreement.
3. This agreement confirms that the researcher will have sufficient monthly resources to meet his/her (and where appropriate family members) normal living expenses and return travel costs without having recourse to Ireland's social assistance system.
4. This agreement confirms that the researcher has sickness insurance for all the risks normally covered for Irish nationals employed by the research organisation.
5. The research organisation recognises that the hosting agreement will automatically lapse when the researcher is not admitted or when the contract of employment between the researcher and the research organisation is terminated.
6. The research organisation will promptly inform the EURAXESS Ireland Office of any occurrence likely to prevent the implementation of the hosting agreement.

Undertakings of Researcher

The researcher confirms that he/she undertakes to complete the research project under the agreed terms and conditions as outlined in this agreement and in the contract of employment between the research organisation and the researcher.

I accept and understand the terms and conditions of the hosting agreement outlined above.

Researcher
