SUMMER HOMEWORK

THEATRE

Dear Parent,

The purpose of the Summer Homework in performing arts is to provide students with **an enjoyable opportunity** to channelise their minds and energy creatively. While they listen to music or watch a movie with a specific objective in mind, they are going to be engaged in a productive manner.

We also would like to invite you to **be a part of your child's learning by participating in the homework activity**. When you facilitate and do the activities with them, the experience would be far more enriching for the children ensuring maximum impact. Moreover, **arts would help you de-stress too!** As the activities are creative in nature, please encourage the child to practice as per their mood. We are looking for efforts, practice, and not perfection.

Process

- Go through the homework and perform the activities.
- In Grade 1 and 2, help the children enact with you. For example, if they have to become a character, you can give them cues/prompts in the form of dialogues so that they can interact.
- It is mandatory for every student to record the videos as assigned in the document.
- Encourage the students to submit their homework on time.
- Upload the homework under the "Homework tab" from the student's portal.
- Please ensure that the format of the video is MP4.
-

In vacations, the learning does not stop. It only shifts from schools to homes. :)

SUMMER HOMEWORK

THEATRE

GRADE 1 & 2

LEARNING OBJECTIVE

Learning different characters by watching a movie.

MATERIALS NEEDED

1. A video recording device, such as a phone.
2. Movies to watch: Animated movies: Lion King, Aladin, Ramayana

WHAT TO DO

Enact any one favourite character from the movie. Say a dialogue and make a video recording of the same.

Example: "Hello Friends, I'm Arnav from Grade 1 A. Today I will enact Simba from Lion King Movie".

(Parents can become a second character of the same scene.)

WHERE TO SUBMIT

Upload the video recording of you acting with your parents on Eduvate portal before 25th May 2023.
